Good afternoon,

I hope everyone is doing well. We wanted to provide a brief update regarding COVID-19. Any questions or concerns, please let me know. Take care and have a wonderful weekend.

Active COVID-19 Cases:

CCC currently has four active cases of COVID-19 on campus. [Link-https://www.colbycc.edu/news-information/2019-20/covid-19-updates.html](https://www.colbycc.edu/news-information/2019-20/covid-19-updates.html)

Contact Tracing:

The Thomas County Health Department is now receiving assistance from the Kansas Department of Health and Environment (KDHE) for contact tracing. They were trying to do all of the investigation internally; however, due to the increase in potential cases, they are utilizing KDHE for help.

Personal Protective Equipment:

If you need additional masks, hand sanitizer, or other personal protective supplies, please let us know. We have ordered new masks that are different sizes to better fit everyone. These masks should be available on 9/24/2020; however, we will notify students when they have been delivered and how to obtain them.

Student Operational Plan Update:

Is attached in the email. Language has been updated to reflect the most current guidelines and quarantine protocols have also been updated.

Seth Macon Carter, Ed.D.

President

Colby Community College

1255 South Range

Colby, KS 67701

(785) 460-5400

Challenge students to adapt to a diverse society. Create opportunities for student growth. Connect student learning with professional experiences.
