Good afternoon,

I hope everyone is doing well and had a relaxing holiday break. Please see the attached Student Operational Plan, changes have been highlighted in yellow. The changes primarily focus on the following:

- Switching back to a “mask expected” protocol
- Shortened quarantine periods (updated to reflect new Center for Disease Control and Prevention guidance)
- Update of Kansas Department of Health and Environment travel restrictions
- Updated testing protocols (CCC can no longer receive the testing the same testing that the College has throughout the duration of the pandemic)

Please let me know if you have any questions or concerns. We look forward to seeing everyone shortly. Take care and be safe.

Seth Macon Carter, Ed.D.
