Good morning,

I hope everyone is doing well. I wanted to follow up on the mask's expected protocol. From my observations, it appears that very few individuals are adhering to the masks expected protocol in areas where we cannot socially distance (i.e. entering classrooms/buildings, common areas, classrooms where social distancing is not possible, etc.). Please note, the College wants to empower students and not have to enforce a mask mandate; however, if there is not a better adherence to expected protocols, the College will be forced to enforce a mask mandate. I am making this request in an effort to help keep you and those around you safe. I understand and respect personal feelings towards masks, but the College wants to ensure everyone's safety. Again, if we cannot adhere to the expected protocols, the College will be forced to shift to a mask mandate. Please let me know if you have any questions or concerns. Take care and have a wonderful day.
