K-State 2+2

Associate of Science in Business Administration and Bachelor's in General Business (Online)

Student name

Last updated

Your Degree Option

Kansas State University offers a Bachelor of Science degree in General Business (Online). The General Business degree provides a solid understanding of the fundamental areas in business: finance, accounting, management and marketing. The curriculum is designed to prepare the student for the diverse environment of the business world.

The degree map on the reverse page will show you a listing of classes you need to take from Colby Community College and K-State to complete the Business Administration and General Business 2+2. This degree map has been reviewed and accepted by both schools as an illustration, which is subject to change. Many other combinations of courses may be possible, so students should contact a K-State representative or their community college advisor.

Your Career

Kansas State University's business graduates find jobs with large corporations and small businesses, government agencies and nonprofit organizations. You'll find them involved with banking activities, trading on the commodity and stock exchanges, working in advertising agencies, practicing accounting in public and private firms and working in major manufacturing businesses. They can also be found helping small businesses grow, working in family businesses, and even starting their own businesses. Our graduates also hire and supervise employees, train new managers, plan budgets, create new products and set up company wide information systems.

To learn more about the General Business degree:

- Phone: 785-532-5575 or 1-800-622-2578
- Email: global@k-state.edu
- Website: www.global.k-state.edu/courses/degrees

To apply to K-State, fill out the application, pay the application fee, and have all of your previous transcripts sent to the K-State Office of Admissions. More details about this process can be found at: <http://global.k-state.edu/business/general-business/admissions>

Bachelor's degree, and beyond

Take the next step! Check out K-State's options for going beyond your bachelor's and toward an online graduate degree. Consult with your advisor to find a program that best fits your needs. <http://global.k-state.edu/courses/degrees>

Be sure to apply for K-State Global Campus scholarships for online students at <http://global.k-state.edu/students/scholarships/>. Deadlines are November 1 and April 1.

Get Started

Note: Kansas Board of Regents requirements have been incorporated into this degree plan, including the following rules governing bachelor's degrees:

- A bachelor's degree must include at least 120 credit hours;
- It must have at least 60 credit hours earned from an institution where the majority of degrees granted are at the bachelor's degree level or higher;
- It must include at least 45 credit hours at the junior level (numbered 300) or higher;
- Each student must successfully complete credit-bearing courses/experiences to cover all of the K-State 8 areas.

Kansas State University will accept up to one-half of the required credit hours from the community college toward the bachelor's degree.

Notice of Nondiscrimination

Kansas State University is committed to nondiscrimination in admissions, programs and employment. Inquiries and complaints: Contact Director of Institutional Equity, Kansas State University, 103 Edwards Hall, Manhattan, KS 66506-4801, (Phone) 785-532-6220; (TTY) 785-532-4807.

Student Access Center

A student with a disability who wishes to request accommodations for a credit course should contact the Student Access Center (k-state.edu/accesscenter, 785-532-6441, or email accesscenter@k-state.edu) and their course instructor. Early notification is requested to ensure that accommodations can be provided in a timely manner.
