Good Afternoon,

The Thomas County Health Department is conducting a COVID-19 Vaccine Clinic on campus, where they would administer the Johnson & Johnson vaccine (1 shot only!) to students. If you are interested, please complete the Google Form found at the link below, so we can ensure there are enough doses available. If you do not wish to receive the vaccination, you do not need to do anything.

Google Form: <https://forms.gle/wMGmHwZmw9VGEaj28>. Please make sure you are logged into your CCC email account in order to complete the form.

Information regarding the Johnson and Johnson vaccine can be found on the CDC website at: <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/different-vaccines/janssen.html>

Thank you and have a wonderful day,
Nikol
