SUMMER 2024 SCHEDULE

www.ColbyCC.edu/Summer

Summer Enrollment Begins March 8, 2024

Session	Class Start Date	Last Day to Add or Drop with Refund	Withdraw Date	Finals
Four-Week I	June 3	June 5	June 18	July 2
Four-Week II	July 1	July 3	July 17	July 30
Eight-Week	June 3	June 7	July 8	July 30

CCC Mission Statement: *Challenge* students to adapt to a diverse society. *Create* opportunities for student growth. *Connect* student learning with professional experiences.

Admission Requirements: Admission to Colby Community College is open to all high school graduates and to those who have earned the GED. Students who attend other accredited colleges, high school sophomores, juniors and seniors who have the approval of their high school principal are also encouraged to enroll in summer classes.

Catalog Information Disclaimer: This schedule is informational only and does not constitute a contract. The college reserves the right to change, modify or alter without notice all fees, charges, tuition, expenses, and costs of any kind. The college reserves the right to add or delete without notice any course offering or information contained in this schedule.

Mandatory Placement: To assist in the success of students at Colby Community College, all students are required to take developmental courses if placement testing is indicated. The student is required to have ACT/SAT and/or Accuplacer scores submitted prior to enrolling. Part-time students are required to take the placement test prior to enrolling in their first English or math class. To meet this requirement, Colby Community College offers developmental courses in reading and study skills, writing, and mathematics. These courses are designed to provide students the needed skills to succeed in college-level classes. Students may retake Accuplacer at a cost of \$5 per section for the following reasons: Students feel placement results do not accurately reflect their abilities; students feel they have improved their skills through refresher work or previous developmental course work; students feel the grade received does not reflect their abilities and/or desire to advance in the course sequence. There is a two-week waiting period in between retake attempts.

Enrollment and Registration: Current students are encouraged to meet with their assigned advisor before enrolling. The Advising Center is open weekdays from 8 a.m. to 5 p.m. to assist students with summer enrollment. Enrollment for all summer classes will begin March 6, 2023 and will continue until the first day of class. Early enrollment is advised. To schedule an appointment to enroll for classes, please visit <https://trojanadvisingcenter.setmore.com>. Colby Community College reserves the right to cancel any classes with insufficient enrollment.

Academic Load: Students enrolled in more than seven credit hours in one four-week session or 15 credit hours in the summer term must obtain permission from the Vice President of Academic Affairs.
