Good afternoon,

I hope everyone is doing well. Please see the updates below. Any questions or concerns, please let me know, take care.

Athletics/Club Sport/Activities:

All team-related activities/events have been temporarily suspended until further notice (i.e. practices, weight training, face-to-face team meetings, etc.). This pause will allow the institution to assess the situation and work towards mitigating potential further cases.

Campus COVID-19 Statistics:

Cleaning:

Please remember to keep wiping down your rooms and other high-frequency touchpoints (i.e. door handles, desks, keyboards, and your study place).

Facilities:

The following facilities are being temporarily closed until further notice: the Fit Lab, the Gym, and the Steve Lampe Athletic Center. Again, this is done in an effort to mitigate potential future issues and to allow a deep clean of the area.

Operational Plan:

The newest institutional Operational Plan is attached for your reference. Contact information has been updated as well as the portion regarding Healthy Rosters.

Safety Protocols:

Please be vigilant in wearing masks and maintaining proper social distancing. We have had several instances where students are not abiding by the safety protocols that are in place. If a student elects to not follow the protocols in place they may be removed from Colby Community College.
