CCC 2018 Summer Schedule

Summer Enrollment Begins December 12, 2017

Session I: June 4-June 29 (June 6--last day to add or drop with a full refund)

Session II: July 2-July 27 (July 4--last day to add or drop with a full refund)

Eight-Week Session: June 4-July 27 (June 8--last day to add or drop with a full refund)
(Check other start and end dates)

Administrative Offices will be closed on Wednesday, July 4

Please email the registrar at registrar@colbycc.edu, if you are having trouble adding or dropping a course on July, 4.

Colby Community College offers a variety of courses during summer sessions. Choices are not limited to courses listed in this schedule. Additional courses may be offered to what is listed in this schedule, if there is sufficient demand (at least 10 people). Students interested in a course which is not listed should contact the Vice President of Academic Affairs at 785-460-5401.

Final Exam Dates: Session I-June 29. Session II-July 27

CCC Mission Statement: *Challenge* students to adapt to a diverse society. *Create* opportunities for student growth. *Connect* student learning with professional experiences.

Admission Requirements: Admission to Colby Community College is open to all high school graduates and to those who have earned the GED. Students who attend other accredited colleges, high school sophomores, juniors and seniors who have the approval of their high school principal are also encouraged to enroll in summer classes.

Catalog Information Disclaimer: This schedule is informational only and does not constitute a contract. The college reserves the right to change, modify or alter without notice all fees, charges, tuition, expenses, and costs of any kind. The college reserves the right to add or delete without notice any course offering or information contained in this schedule.

Mandatory Placement: To assist in the success of students at Colby Community College, all students are required to take developmental courses if placement testing has indicated they are not fully prepared for college work. The full-time student is required to have ACT/SAT and/or Accuplacer scores submitted prior to enrolling. Part-time students are required to take the placement test prior to enrolling in their first English or math class. To meet this requirement, Colby Community College offers developmental courses in reading and study skills, writing, and mathematics. These courses are designed to provide students the needed skills to succeed in college-level classes. Students may retake Accuplacer at a cost of \$5 per section for the following reasons: Students feel placement results do not accurately reflect their abilities; students feel they have improved their skills through refresher work or previous developmental course work; students feel the grade received does not reflect their abilities and/or desire to advance in the course sequence.

Enrollment and Registration: Current students are encouraged to meet with their assigned advisor before enrolling. The Admissions Office is open weekdays from 8 a.m. to 5 p.m. to assist students with summer enrollment. Enrollment for all summer classes will begin December 12, 2017 and continue until the first day of class. Early enrollment is advised. Classes may be cancelled due to low enrollment. Students need to register and pay fees on or before the first day of class at the Student Accounts Office, online, or through the mail.

Summer Housing: Embree Hall will be available from June 4 through July 27 to serve summer school students. Contact Jim Rorabaugh at 785-460-5552. Room rates are online at <http://www.colbycc.edu/current-students/housing>.

Colby Community College reserves the right to cancel any class with insufficient enrollment.

Financial Aid: Students may qualify for Federal Financial Aid to enroll in summer courses. Please contact the Financial Aid Office for information. The Veteran’s Administration has approved Colby Community College for educational benefits under the GI Bill of Rights. Forms to establish eligibility for assistance are available from Financial Aid.

Campus Bookstore: The Campus Bookstore summer hours are Monday through Friday from 8:30 a.m. to 4:30 p.m. Textbook buyback for the summer session will be the last day of each session.

H. F. Davis Memorial Library: The H. F. Davis Memorial Library is open on Monday-Friday from 8:00 a.m. to 4:00 p.m. The library is open to students and the public. Patrons may browse the collection of electronic resources as well as print and audiovisual materials. Computer access, wireless capability, printing and word processing are available to all patrons.

Comprehensive Learning Center (CLC): The CLC is located in the library and open Monday-Friday from 8:00 a.m. to 4:00 p.m. Computer access and tutors are available for students who are taking summer classes. Walk-ins are welcome.

RRT/MICT to RN Transition Courses

Colby Community College offers a program for Respiratory Therapist (RRT) and Paramedics (MICT) to make the transition into the Associate Degree Nursing Program at CCC. The following courses NS250 ADN Transition Concept, NS251 ADN Articulation Concepts, NS252 ADN Concepts of Care will be offered in online lecture and face-to-face clinicals and lab. Interested persons need to contact Rikki Wait at 785-460-5444 or rikki.wait@colbycc.edu for specific information and enrollment. Instructor permission is required for all three courses.

2+2 Programs

Colby Community College offers a number of 2+2 programs with four-year colleges and universities in Kansas and Colorado. For information about these agreements, contact Linda Nelson, Transfer and Advising Specialist, at 785-460-5513 or linda.nelson@colbycc.edu.

1+1 Programs

Colby Community College has cooperative relationships with Seward County Community College/Area Technical School (Medical Laboratory Technology and Surgical Technology) and Hutchinson Community College (Pharmacy Technician) allowing students the opportunity to complete a Certificate or an Associate of Applied Science degree. For information about these programs, contact the CCC Admissions Office.

Accreditation: Colby Community College is coordinated by the Kansas Board of Regents and accredited by the Higher Learning Commission.
