Enrollment

Enrollment for Fall 2022 will begin on April 11, 2022. Schedules will be available on-line so students can plan their schedules. Once a preliminary schedule is complete, students should consult with their advisor. Students are able to drop and add classes through the 100% refund period. Students are cautioned that any changes made outside of the plan agreed upon with their advisor may jeopardize their full-time status, graduation status, or both. Students not enrolled during the Spring 2022 semester should begin the enrollment process in the Admissions Office and then contact the Advising Center for enrollment.

CCC Add/Drop/Last day to Withdraw Policy

It is the responsibility of the student to check his/her schedule and make any adjustments through the add/drop procedure. Students must attend classes within the certification period in order to be enrolled. State law requires the withdrawal of any student who does not attend class at least one time during this period.

Students will have:

1. Eight instructional days to add or drop with a full refund for 12 to 16-week classes;
2. Five instructional days to add or drop with a full refund for 8-week classes;
3. Three instructional days to add or drop with a full refund for 2 to 4-week classes.

To add a class after enrollment is closed the student must receive written approval from the instructor and the VP of Academic Affairs. After 15 days students will not be allowed to add a full-semester, 12-week, 8-week, or 4-week class.

Students may withdraw any time after enrollment is closed and until the date published by the Registrar's Office which is 65% of the class. A "W" will be recorded on the student's transcript at that time. After 65% of the class is complete, a grade of "W" cannot be given.

Commencement

Students planning to graduate in May 2023 must apply for Graduation through the Registrar's Office via Canvas by February 2023. While enrolling with advisors, students should make sure they have met all graduation requirements.
