Performance Based Scholarship Policy

CCC students receiving a performance based (i.e. athletic, co-curricular, band, and vocal) scholarship will be required to take a minimum of 15 credit hours each semester they are receiving the scholarship. In addition, these students shall have 40 percent of their degree completed by the end of their first year (does not include zero level courses). These students will also be required to attend at least one Financial Aid Workshop each semester, unless they can provide evidence their FAFSA and all necessary paperwork has been completed. Failure to meet these expectations may result in academic probation or even revoking the scholarship in extreme circumstances. This includes, but is not limited to, the NJCAA Letter of Intent and Scholarship agreement.

Students transferring in credit hours and receiving a scholarship must be granted written permission by the Executive Vice President to take less than 15 credit hours a semester as long as they meet or on track to meet 40 percent towards their degree.

All scholarship grade point average requirements and eligibility rules still apply.
