Everything you want to know about TrojanWeb

Trojanweb is the one stop online resource for enrolling and managing your schedule. Once your account is setup you will be able to register for classes, verify your class schedules, review your financial statement, make online payments, request your unofficial transcript, and check your grades.

Verifying your Account

The first time you log in to TrojanWeb, you will be asked to verify your account. Your system ID is your student ID number without any dashes. Your ID number is located in the top left corner of your screen. Your first and last name will need to match the name that you used to apply. Your date of birth should be entered as: mm/dd/yyyy format (e.g., 01/01/1964).

How to Enroll

Click on “Find Courses” towards the bottom of the screen.

The screenshot shows the COBY Community College website home page. At the top, there is a navigation bar with links for Home, Register, Classes, Finances, Grades, Search, and My Profile. Below this, there is a secondary navigation bar with links for Cart, Degree Requirements, Inquire, Apply, Application Status, Checklist, Make a Donation, and View Student Information. The main content area features a banner image of students playing volleyball in a sand pit, with the college logo to the right. Below the banner, there is a 'Students' section with three links: 'Find Courses' (circled in yellow), 'Register', and 'View Schedule'. A 'Transfer Evaluation' link is visible on the left sidebar.

Search for the course you wish to enroll in.

There are also dropdown menus for 'Period' (2017 Fall) and 'Session' (Main). At the bottom of the search area, there are 'Search' and 'Clear' buttons. A 'Results Per Page' dropdown is set to 10.
