Good afternoon,

I hope everyone is doing well. Detailed below are this week's COVID-19 updates. Take care and stay warm.

### Campus COVID-19 Updates:

### Center for Disease Control and Prevention (CDC):

Enclosed is a newer article from the CDC that is geared towards improving how individuals wear masks to reduce/prevent COVID-19 transmission. The article does include the recommendation of adding layers of material, one cloth mask and one disposable mask underneath the cloth mask. Colby Community College does not require two layers of masks on campus, but we thought it was valuable to share the CDC's recommendation.
