Good morning,

I hope everyone is doing well. The College will periodically send out updates regarding COVID-19. Colby Community College has no interest in politicizing COVID-19 or infringing upon anyone's rights. Our goal is to always make sure that everyone is informed and safe. If you have any questions or concerns, please let me know. Take care and have a wonderful weekend.

Center for Disease Control and Prevention (CDC):

Colby Community College COVID-19 Statistics:

Colby Community College has a resource page that details the College's Operational Plan, current COVID-19 campus statistics, and other valuable resources pertaining to COVID-19.

Masks Expected:

Please remember in areas that you are not able to socially distance or when you are entering facilities or classrooms, please wear a mask. A mask expected protocol has been initiated to help keep everyone safe. Our goal is to have the ability to serve students in face-to-face capacity, while maintaining a safe and secure environment. Masks are required when entering the Cafeteria and going through the line, there are no exceptions to this.
