EXCEL IN CTE

- > Excel in CTE (SB155) is a Tuition Waiver available to high school students in Kansas.
- > This waiver covers tuition rates on qualifying courses.
- > The majority of the qualifying courses are technical courses focused on specific career fields and employment skills.
- > The State of Kansas determines which courses qualify for the waiver.
- > Students taking these courses are responsible for purchasing any required textbooks.
- > Students are responsible for any additional course fees on qualifying courses.
- > Attached is a list of CCC qualifying online courses for the Fall.
