Excel in CTE (SB155) eligible courses are listed in **RED**.

Current high school students will have tuition (\$110 per credit hour) waived. Students taking these courses are financially responsible for any course fees listed as well as the cost of any required materials.

Current high school students will be charged \$110 per credit hour for any classes that are not Excel in CTE eligible.

*There may be required materials for these courses even if not listed here.

Academic

Load:

Students who wish to enroll in more than 7 credit hours in a 4-week summer session or 15 credit hours combined in all summer sessions must obtain permission from the Executive Vice President. Enrollment includes hours taken on-campus, as well as online.
