5) Start entering your class information into the boxes

The screenshot shows the 'Textbook Lookup' web application. At the top, it says 'Textbook Lookup' and 'Find the textbooks for your courses'. Below this are two links: 'Lookup by Course' (underlined) and 'Lookup by Student ID'. A 'Select School' dropdown menu is set to 'COLBY'. Below that is a table with four columns: 'Term', 'Department', 'Course', and 'Section'. The first row is labeled '1.' and contains the following values: 'FALL 2019', 'EN - English', '202 - American Literatu', and '01'. Below the table are two buttons: 'Add Another Course' and 'Lookup Courses'. At the bottom, there is a blue banner that says 'Fall Books Available Now!'.

6) Click on Add Another Course and enter in the information like the step above until all of your classes are entered in.

This screenshot is identical to the one above, but the 'Add Another Course' button is circled in red to indicate it should be clicked. The rest of the interface, including the school selection, course entry table, and 'Lookup Courses' button, remains the same.

7) Click on Lookup Courses
