

Transferability of Courses

The Kansas Board of Regents has approved 56 courses for guaranteed transfer among all Kansas public postsecondary institutions. A student in pursuit of a degree or credential who completes these courses at any Kansas public community college, technical college, or university can be certain the course transfers to any other public institution in Kansas. Course Equivalency Guides can be found at the KBOR website at http://kansasregents.org/transfer_articulation.

Colby Community College is happy to assist with transfer questions. We recommend students consult closely with their advisor and the transfer institution to ensure they enroll in applicable courses.

For questions regarding transfer please contact the Outreach Office at (785) 460-4611 or outreach@colbycc.edu.
