

Colby Community College TB Questionnaire

Last Name: _____

First Name: _____

Student ID Number: _____

Phone Number: _____

About this Form:

- Tuberculosis, also known as TB, is a bacterial infection that attacks the lungs and sometimes other parts of the body. It is spread when someone infected with the disease coughs or sneezes and the bacteria is inhaled by someone nearby.
- Colby Community College requires **ALL** students to complete a tuberculosis screening questionnaire, per Kansas Statute #65-129e.
- Please submit this form before August 15 for the fall semester or December 15 for the winter/spring semester to avoid being dropped from pre-registered classes.
- Return to: Student Health

Please complete the following questions by circling Yes or No*:

1. Have you ever had a positive TB test?	Yes	No
2. Have you ever had the BCG vaccine which is given to prevent TB? If yes provide document	Yes	No
3. Have you ever had close contact with someone who was sick with TB?	Yes	No
4. Were you born in a country other than those listed below?	Yes	No
5. Have you ever traveled to and/or resided in a country for more than three months which is not listed below? If yes please write the country or countries in the blank: _____	Yes	No
*If the answer is yes to any of the questions above Colby Community College requires evaluation by a health care provider.		

List of Exempt/Low Incidence/TB Countries**
