BU281 Effective Time Management | Credit Hr.

This course is valuable for those who want to improve their productivity and strengthen their time-management skills through multiple ways of thinking about and using time more effectively.

PE199 Techniques of Officiating (Basketball) **2 Credit Hrs.**

This course will teach students the rules of officiating in a varsity or intercollegiate sport. Students will learn the rules as outlined by the National Collegiate Athletic Association (NCAA), National Junior College Athletic Association (NJCAA), and the Kansas State High School Activities Association (KSHSAA).

BUI32 Transformational Leadership and Innovations **3 Credit Hrs.**

This course prepares students to incorporate values of a transformational leader into their personal leadership style. This course will take a researched-based approach to expand the students' knowledge of transformational leadership and innovation. In today's business environment organizations rely heavily on leadership and innovation.

PO105 State & Local Government 3 Credit Hrs.

This class is a competency-based overview of state and local government in the United States federal system, and the ever-changing environment in which they exist. Students will develop background information needed to gain a thorough understanding of how state and local governments operate, the structure of powers of the local governmental bodies, the problems and opportunities related to inter-governmental relations, current trends in the consolidation and proliferation of state and local bodies, how they compare, and how they affect citizenry. A special focus of the course is the individual student's development as a member of a community of learners.

These courses are not eligible for financial aid.
