BU281 Effective Time Management 1 Credit Hr

This course is valuable for those who want to improve their productivity and strengthen their time-management skills through multiple ways of thinking about and using time more effectively.

PSI12 Anger/Stress 1 Credit Hr

This course is designed to acquaint the student with the various theories that are involved with anger and stress. The students become actively involved with strategies to resolve situations they might be involved in.

PEI99 Techniques of Officiating (Basketball) 2 Credit Hr

This course will teach students the rules of officiating in a varsity or intercollegiate sport. Students will learn the rules as outlined by the National Collegiate Athletic Association (NCAA), National Junior College Athletic Association (NJCAA), and the Kansas State High School Activity Association (KSHSAA).

HII24 World War II 3 Credit Hr

The WWII course includes the pre-war European scene followed by an in-depth study of the major military and political development during the war. This course explores how the war impacted subsequent history.
