---

Colby Community College is offering several classes at the WaKeeney Campus located at 323 Russell Avenue.

Classes to be offered include Ethics, Developmental Psychology, Medical Terminology and College Algebra.

Ethics, taught by Mike McVay, will be held from 6-9 p.m. each Tuesday beginning Aug. 28.

Developmental Psychology is a hybrid class which includes instruction in the classroom and online. The course will be taught by CCC psychology instructor Krista Carter starting Sept. 12.

Medical Terminology, taught by Lauana Killman, will be held Wednesday and Friday evenings beginning Oct. 17 for five weeks.

College algebra will begin Sept. 6 from 6-10 p.m. Instructor for the class is Diane Wetter.

To enroll or for more information, contact Troy Bielser at (785) 460-4611.
