Ruth Wolfram is the Director of the Nursing Programs at CCC. She is responsible for the Colby campus which accepts 30 Practical Nursing students and 40 associate degree nursing students. In addition she is the director of the program located on the Norton campus which accepts an additional 18 practical nursing students. Ruth was instrumental in adding a Licensed Practical Nurse to Registered Nurse program which accepts 12 students. Classes are held one evening each week on the Colby campus. CCC will have an additional site beginning fall 2011 in Goodland to train 12 practical nursing students.
