[www.colbycc.edu/fall](http://www.colbycc.edu/fall)

## Welcome Message

Welcome to Colby Community College! This class schedule was produced by Colby Community College to inform and assist students in registering for fall semester classes.

This schedule does not represent a contract between Colby Community College and its students. It is only informational in nature. While all information in this schedule was correct at the time of printing, it is subject to change. Students should check with advisors and watch for schedule updates in other college publications and media. Ultimately, each student is responsible for the content of his or her class schedule. Schedules for high school outreach classes are available on-line at [www.colbycc.edu/outreach](http://www.colbycc.edu/outreach).

Questions about class scheduling should be addressed to an advisor. For additional questions concerning registration, you may contact the Trojan Advising Center at 785.460.5401.

## Mission Statement

**Challenge** students to adapt to a diverse society. **Create** opportunities for student growth. **Connect** student learning with professional experiences.

## Vision Statement

Colby Community College will be a national leader in academic and student success to transform the lives in the communities we serve.

## Non-Discrimination

Colby Community College provides equality of opportunity to its applicants for admission, enrolled students, graduates, and employees. The College does not discriminate with respect to hiring, continuation of employment, promotion, tenure, other employment practices, application for admission, or career services and placement on the basis of race, color, gender, age, disability, national origin or ancestry, sexual orientation, or religion. For inquiries regarding the non-discrimination policies, contact the Vice President of Student Affairs, Title IX and ADA Coordinator at Colby Community College; 1255 S. Range Ave.: Colby, KS 67701 (785.460.5490).

## Enrollment

Enrollment for fall 2025 will begin in April, 2025. Students need to make an appointment with their advisor to enroll for each semester/term. Students are able to drop and add classes through the 100% refund period. Students are cautioned that any changes made outside of the plan agreed upon with their advisor may jeopardize their full-time status, graduation status, or both. Students not enrolled during the Spring 2025 semester should begin the admissions process through the Admissions Office and then contact the Advising Center for enrollment.

## CCC Add/Drop/Last Day to Withdraw Policy

It is the responsibility of the student to check his/her schedule and make any adjustments through the add/drop procedure. Students must attend classes within the certification period in order to be enrolled. State law requires the withdrawal of any student who does not attend class at least one time during this period.

Students will have:

1. Eight instructional days to add or drop with a full refund for 12 to 16-week classes;
2. Five instructional days to add or drop with a full refund for 8-week classes;
3. Three instructional days to add or drop with a full refund for 2 to 4-week classes.

To add a class after enrollment is closed the student must receive written approval from the instructor and the VP of Academic Affairs. After 15 days students will not be allowed to add a full-semester, 12-week, 8-week, or 4-week class.

Students may withdraw any time after enrollment is closed and until the date published by the Registrar's Office which is 65% of the class. A "W" will be recorded on the student's transcript at that time. After 65% of the class is complete, a grade of "W" cannot be given.

## Commencement

Students planning to graduate must apply for graduation through the Registrar's Office via Canvas. While enrolling with advisors, students should make sure they have met all graduation requirements.

Fall 2025 graduation applications are due October 24, 2025;

Spring 2026 graduation applications are due February 6, 2026;

Summer 2026 graduation applications are due March 8, 2026.

## Tuition and Fees

**For a complete listing of tuition and fees please visit [www.colbycc.edu](http://www.colbycc.edu). Tuition and fees are subject to change by the Colby Community Board of Trustees.**

Payment of fees provides students access to most campus athletic events. Additionally, full-time students have access to student health services. A full-time student is enrolled in 12 or more credit hours. Those enrolled in fewer than 12 credit hours are classified as part-time students.

Some courses have additional lab fees which are indicated in the fees column of listed courses.

Tuition rates listed do not apply for students enrolled in the Dental Hygiene, Nursing, and Physical Therapy Assistant programs. Please contact Student Accounts (785.460.4664) or the program directors for current tuition rates.

A one-time administrative fee of \$25.00 will be automatically applied to the account of students who fail to attend class at the end of the add/drop periods.

## Room and Board

Please review the housing contract for current charges on our website [www.colbycc.edu](http://www.colbycc.edu). This amount is subject to change by the Colby Community College Board of Trustees.

Meal tickets are available through the cafeteria for students who live off campus.

## Fall 2025 Final Exam Schedule

Final exams begin on Wednesday, December 10, 2025. The time allotted for each examination will be limited to 90 minutes and should be sufficient to allow every student ample time to complete the examination. If additional testing time is deemed necessary by the instructor, previous class meeting times may be utilized. All examinations will follow the established schedule with any exceptions approved only by the Vice President of Academic Affairs. A student who is scheduled for more than three exams on any given day may petition the Vice President for schedule adjustment.

## Weather Policies

Owing to state requirements mandating the number of instructional hours, Colby Community College rarely cancels regularly-scheduled classes due to inclement weather. On occasion, however, weather conditions may force the delay or cancellation of classes.

Postponements/cancellation notices at the college are recorded on a dedicated phone number at 785. 460.4646. Any changes will also be posted on the website [www.colbycc.edu](http://www.colbycc.edu), social media accounts, student emails, and announced by broadcast media as conditions warrant.

Because of the large volume of calls from commuters, on-campus students should not attempt to call the college switchboard. The decision to attend class during hazardous weather conditions rests with each individual student. Commuters should check with civil authorities for weather and road conditions.
