
ADMISSIONS INFORMATION

VETERANS USING BENEFITS

Veterans applying for admission to Colby Community College planning to use their Educational Benefits must provide their DD214 and Certificate of Eligibility in addition to the admission requirements. The School Certifying Official or Veterans Benefits Coordinator at CCC interprets Veterans assistance programs as a financial benefit to aid students with educational expenses. Satisfactory academic progress will be monitored using the criteria approved for all financial assistance programs at CCC.

Credit for military schools and experience, as recognized by the American Council on Education "Guide to the Evaluation of Educational Experiences in the Armed Services," will be evaluated and approved by the College upon completing 12 credit hours at CCC.

All documentation of previous education and experience should be given to the Registrar. Students may contact the Veterans Coordinator at 785.460.4612 or veteransaffairs@colbycc.edu for the proper enrollment procedures. The student is responsible for contacting the Veterans Coordinator regarding all schedule changes.
