TRACY ROGERS HONORARY ASSOCIATE DEGREE

A lifelong advocate for education and community service, Tracy Rogers is receiving the Colby Community College 2026 Honorary Associate Degree. The honor recognizes individuals whose service has significantly benefited the College and enhanced the quality of life in the region.

Rogers has demonstrated a longstanding commitment to Northwest Kansas through leadership and volunteerism. He has served on the Colby Community College Endowment Association Board, the Colby School Board, and the Thomas County Community Foundation Board. His additional involvement includes leadership roles with the Colby Kiwanis Club, Colby Swim Club, Colby High School Alumni Association, and the Colby All-Sports Booster Club. He also served as a regional vice president for the Kansas Association of School Boards.

Beyond formal roles, he is widely recognized for his hands-on volunteer efforts, particularly his support of student activities. He has spent countless hours assisting at events and driving activity buses, helping ensure students can participate in academic and extracurricular opportunities.

A former CCC student, Rogers earned his degree from Kansas State University in 1983. After working in Phoenix, he returned to Colby in 1996 and built a career with Co-Ag/Frontier Ag. He and his wife, Robyn, have two children and two grandchildren.
